ACUPUNCTURE CONSENT FORM

Acupuncture is the insertion of a thin needle into the surface of the body. A patient may feel a slight pricking sensation and/or electrical impulse near the needle. Patients usually report little or no pain during an acupuncture treatment. On occasion, there may be slight bruising where a needle was inserted. The duration of a treatment is usually 30 minutes to one hour. Although no outcome of treatment can be guaranteed, it is understood that every patient is unique and that each treatment is designed specifically for the conditions of the patient.

I UNDERSTAND THAT I HAVE THE RIGHT TO CONSENT TO, OR REFUSE, TREATMENT.
